New Promotion of Luxury Villas in Fabulous Location

Located on the sunny southwest coast of Tenerife, Guia de Isora is home to the exclusive holiday and residential destination, Abama Resort. This 400 acre secluded paradise is a world away from the hustle and bustle of Tenerife's busy tourist areas, offering a lifestyle of pure luxury and tranquility in a truly magical setting. The resort is an architectural masterpiece, with a combination of exquisite elements all working in perfect harmony. The imposing 5* Ritz Carlton Abama Hotel stands majestically on the cliff overlooking the ocean, with its twelve restaurants and bars (two Michelin starred restaurants), a sumptuous spa and many more special features. Adjacent to this, there is a secluded sandy beach with bar restaurant. The remainder of the resort is dedicated to the resort's 18 hole world-class golf course with Abama's various residential properties nestled idyllically amongst the fairways.

Villas de Tennis is an exclusive collection of twelve, magnificent detached homes, each with private pool deck. The development offers uncompromising standards of luxury and quality, high levels of privacy and the most breathtaking views. Adjacent to the Annabel Croft Tennis Academy, encircled by the brilliant Dave Thomas golf course, Villas del Tennis will appeal to those who demand the best of the best. These properties are located in close proximity to the €14 million "Plaza Abama" investment; an incredible gathering, dining and commercial hub designed by award winning architects and interior designers.

These luxury villas are built over two floors, with an integral garage located on the ground floor for ultimate convenience. Also on the ground floor is the open concept lounge / kitchen / dining space with a fully glazed front elevation that opens up to reveal a beautiful terrace area with private pool and gardens. One of the property's double bedrooms is located on this level of the property and also boasts floor to ceiling glazing that opens onto the pool terrace in addition to an en-suite bathroom and fitted wardrobes. The upper level of this fine home is where we find two identical suite-style double bedrooms with extravagant dressing areas and en-suite bathrooms. These bedrooms continue the bright, light theme of the villa, being fully glazed to the front and opening onto the upper balcony terrace. The panoramic sea views from the villas are fabulous and must be seen to be appreciated.

Last villa remaining - please contact Clear Blue Skies Group SL for further details or to arrange an inspection.
