The 400 acre secluded paradise of the Abama resort is a world away from the hustle and bustle of Tenerife's busy tourist areas, offering a lifestyle of pure luxury and tranquillity in a truly magical setting. The resort is a conceptual and architectural masterpiece, with a combination of exquisite elements all working in perfect harmony to create an idyllic destination. The imposing 5* Ritz Carlton Abama Hotel stands majestically on the cliff overlooking the ocean, offering 12 restaurants and bars (two Michelin starred restaurants), a sumptuous spa and many more special features. Adjacent to this there is a beautiful, secluded sandy beach with bar / restaurant and of course the world-class 18 hole golf course, one of the finest in Spanish territory and a highly respected tennis club.

Adjacent to the Abama resort, the charming village of Playa San Juan is only a few minutes drive away and offers many restaurants, cafes and shops along its attractive seafront promenade, all with a more traditional Spanish feel.

This amazing building plot extends over 800 m² with fantastic views all the way down to the coast and directly facing the Abama Golf Course. This existing project is the work of one of Tenerife's most sought after architects who has been responsible for some of the most prestigious constructions in the south of Tenerife. Construction on this villa has already commenced with the structure being fully erected however the development would be completed by the new owner and as such, offers the possibility of being developed in line with their own style and taste.
