# Fantastic Two Bedroom Penthouse in Exclusive Complex

Clear Blue Skies is pleased to present for sale this immaculate top floor two bedroom duplex apartment in the Caleta Palms development in the much sought after coastal village of La Caleta in Tenerife.

La Caleta is quite possibly the most popular part of the south of Tenerife, perhaps the whole island, and is located on the edge of Costa Adeje. The name La Caleta means "little bay" and what was originally a tiny fishing village, is now a veritable culinary oasis with around thirty top quality restaurants wrapped around the bay. This is Tenerife at its very best, at the water's edge, surrounded by quality villas, townhouses and apartments, but only 2km from the TF1 motorway, with the glamorous shopping malls, restaurants, beaches and bars of Playa del Duque only a fifteen-minute walk away and the famous Costa Adeje Golf and Tenerife Top Training facilities just around the corner.

This beautifully presented penthouse property is positioned on the 5th floor of Caleta Palms, an exclusive residence built in 2009 and made up of fifty-two luxurious apartments overlooking the sublime heated pool area with beautiful palm tree lined sun decks. The complex is oriented to ensure that the properties and shared spaces enjoy stunning views out to sea, across the coastline and towards the striking mountains that define the landscape and climate of this fabulous island.

Upon entering this spacious property which measures 108m<sup>2</sup> internally distributed over two floors, there is an entrance hall on the ground floor with a guest toilet located to the right and to the left, a stunning open plan kitchen and lounge, a fabulous space with a contemporary style Poggenpohl kitchen including high tech appliances and island seating, the perfect place to admire the 7m high ceiling with feature retractable glass roof. The lounge is a fantastic light filled space, with floor to ceiling glazed sliding doors that provide access onto a large sunny, spacious terrace with fabulous views over the village, mountains and out to the Atlantic ocean.

From the ground floor, an attractive wooden staircase with built in storage leads up to the first floor where you will find the bedrooms. The master bedroom features fitted wardrobes and floor to ceiling doors to the terrace, en-suite shower room with large glass doors that also open to the upper terrace, again with breathtaking sea and coastal views. The guest bedroom, currently used as an office offers fitted wardrobes, en suite bathroom and boasts an internal terrace, from where you can access the rooftop seating area with wonderful 360 degree views. The property is air conditioned, has a utility area, great storage, 17m<sup>2</sup> private parking space and storage in the secure community garage and will be sold with some of the stylish furnishings. Properties of this calibre, in this very desirable area, rarely come to the open market so please contact Clear Blue Skies as soon as possible, for further information or to arrange an accompanied viewing.
