Abama Golf resort is located on the south-west coast of Tenerife, and is recognised as the most prestigious location on the whole island of Tenerife. It is built around the magnificent golf course with its fantastic Moorish inspired hotel operated by Ritz-Carlton as the centrepiece, and has numerous dining options, including two Michelin-starred restaurants. This location has everything for the discerning property owner, including a beautiful beach, set in a protected cove, with a high-quality beach bar / restaurant, all of which can be accessed using the resort's panoramic, private funicular or the resort train. Abama Resort also boasts a tennis academy with seven professional standard tennis courts. Around 3 km away, one can visit the traditional small town of Playa de San Juan, offering alternative culinary opportunities and an authentic Canarian experience.

Las Terrazas apartments are built on a hill between the first and second holes of the Abama Golf course, a short way from the clubhouse. The complex is simply magnificent with its three swimming pools and large areas of terrace and garden, and being built on a hill, most apartments benefit from magnificent views out to the Atlantic Ocean and neighbouring island of La Gomera. This exclusive development benefits from membership to an Owner's Club, allowing the property to be rented to holidaymakers through the on-site management service, when not in use. Additionally, owners are given exclusive access to the Plaza Abama Residents' social hub, with its cosy lounges, meeting areas, pools and state of the art gym facilities alongside a selection of premium retail outlets and boutiques.

This luxury apartment offers a comfortable living area of 58m² finished and furnished to the highest of standards.
