Unique Three Bedroom Penthouse in a Popular Complex

Clear Blue Skies is delighted to present this great opportunity to purchase a unique penthouse property in the Balcon de Los Gigantes complex situated in the wonderful location of Puerto Santiago on the sunny west coast of Tenerife.

Puerto Santiago is a popular Spanish town on the west coast of Tenerife, an area known for its great year round climate. It has a multitude of local cafes, shops and restaurants and a natural black sand beach and nearby rockpools. From Puerto Santiago, you can easily reach on foot the adjoining towns of Playa de la Arena with its larger beach and large number of restaurants and the popular resort of Los Gigantes. Los Gigantes is famous for the stunning 500m high cliffs of Acantilados de los Gigantes and again has a great selection of local amenities as well as an attractive harbour area. Puerto Santiago is located around 20km from Costa Adeje and 25 - 30 km from the southern resort towns of Playa de las Americas, Los Cristianos and thanks to the newly opened extension to the TF1 motorway, is just around a half hour drive from the Tenerife south airport.

Balcon de Los Gigantes was constructed in 2007 and is ideally located approximately 600m from the Playa de la Arena beach and easy walking distance to Los Gigantes. This is a secure complex with communal pools, gardens and lift to all floors with a wide range of amenities on the doorstep.

The stunning two bedroom penthouse has been cleverly redesigned, and by utilizing part of the huge terrace, it has been converted into two independent dwellings, a studio and a two bedroom apartment, both of which enjoy beautiful views from their private terraces. The main apartment comprises of an open American style kitchen with breakfast bar seating, lounge, two double bedrooms with fitted wardrobes, en-suite bathroom and shower room. The large sunny terrace which can be accessed from both bedrooms and the lounge offers a great space to sunbathe or entertain with delightful views to the ocean and cliffs. The studio, which holds a VV license for short term holiday rentals, offers modern open plan living incorporating a sleeping area, kitchenette and dining area, shower room and a vast private terrace enjoying views to the pool, sea and neighbouring island of La Gomera.

A unique property with rental opportunity, fully furnished and also including a parking space in the subterranean garage. Please contact our friendly Fañabé Plaza office for further information or to organise an accompanied visit.
