Brand New Two Bedroom Apartment in a Desirable Area

Clear Blue Skies Group is pleased to present to the Tenerife property market, this beautiful spacious two bedroom apartment situated on the second phase of the Atlantic Homes development which is currently under construction in El Madroñal de Fañabé, Costa Adeje.

El Madroñal de Fañabé is the extremely desirable residential area, just 1km inland from the beaches, shopping malls, bars and restaurants of Fañabé and Costa Adeje; approximately fifteen to twenty minutes on foot. Playa de las Americas and Los Cristianos are a five minute drive away and the Tenerife South airport is about twenty minutes by car. In addition to the aforementioned facilities, there is a fantastic municipal park and sports facility, a tennis club, a health spa and many more high quality small businesses in El Madroñal de Fañabé. Furthermore, within five minutes' walk, you can find the X Sur Shopping and Cinema Mall, with shops, eateries, supermarket and multi-screen cinema. This area really does have it all!

This fantastic new development, named Atlantic Homes, has been constructed in two phases, phase one is now complete and occupied. Phase two, set over three floors and centred around a beautiful heated pool and sun tropical gardens, is due for completion in November 2025. Each apartment will include allocated parking in the subterranean communal garage and a private storeroom.

This modern re-sale two bedroom property has been thoughtfully configured to make the most of the light and the views in the main 63m² living spaces and is positioned on the first floor of the development. The large lounge / kitchen / dining room and all bedrooms have been positioned at the front of the property ensuring they are bright and enjoy direct access onto the private 46m² terrace with views to the ocean and mountains, enjoying all day sunshine. The kitchen is of a clean, contemporary design, featuring quality appliances and compact quartz worktops and the property will also benefit from a separate utility room. The master bedroom offers fitted wardrobes and an en-suite shower room with rainwater shower, while the second bedroom also has fitted wardrobes and a guest shower room adjacent.

In summary, this is a great property in a desirable location that would make a superb family home close to the International Costa Adeje school or the perfect holiday home.
