El Madroñal de Fañabé is a very popular, mostly residential area of Costa Adeje, about one kilometre inland from the beaches of Playa del Duque and Playa Fañabé. It features lovely villas, pretty townhouses and luxury apartments and there are many bars, restaurants, and shops nearby. The area benefits from facilities such as the X-Sur Shopping Mall and Cinema Complex, a top international school (Colegio Internacional Costa Adeje), a welcoming tennis club and a shopping complex with a thermal spa, padel tennis and gym facility.

The villa is distributed over three levels with an ample basement incorporating parking for various cars as well as a storage room, wash room and large multipurpose room, perfect for use as a home gymnasium or home cinema perhaps.

The entrance and main living dining area at ground level is a stylish, light and delicate space, decorated in neutral tones and with a mixture of contemporary and natural materials, working together to create a calm and soothing environment. The kitchen is completely independent with sleek white units and worktops and breakfast seating and at this level can you can also find a guest toilet and an office area. The upper level is reached by a beautiful feature staircase and here you'll find four bedrooms including the impressive principal suite with its en-suite bathroom, dressing room and private balcony with lovely ocean outlook.

Externally there are covered terrace areas, perfect for outdoor dining, a sunbathing deck with attractive wooden flooring, and a private pool with wooden bridge. There is a large planted garden including a natural lawn and an abundance of mature trees and vegetation making this whole space a perfect oasis of peace and tranquillity.
