San Eugenio Alto is a popular area located just above the TF1 motorway and only twenty minutes drive from the Tenerife South airport. It overlooks Playa de las Americas, Fañabé and most of Costa Adeje and has views across the Atlantic Ocean to the neighbouring island of La Gomera, plus it's a popular location for residents and holidaymakers with a great selection of bars, restaurants and shops on offer. Just a short walk downhill and you will come into San Eugenio Bajo with its shopping mall, and an abundance of bars and restaurants. From there it's just a short stroll to the beachfront and the marina of Puerto Colon with a variety of water sports on offer and the catamarans which go on daily whale and dolphin spotting expeditions.

Island Village Heights is a popular established complex, virtually across the road from the Aqualand waterpark and round the corner from Tenisur tennis club and features a lovely community pool area. It's also close to the world famous Siam Park and its adjacent Siam Mall.

This very nicely presented and bright 35m² studio is compact yet offers everything you would need in a holiday apartment, located on the fifth floor with lift access and will be sold including the lovely featured furniture. When entering the apartment to the left you will find a bathroom with overhead shower above the bath which could benefit from modernization, the fitted kitchenette then leads you into a bright living/sleeping area. In addition, the large and sunny 10m² terrace offers a retractable sun blind for the times when you want some shade and features sea views and sunsets over the neighbouring island of la Gomera.
