Selection of Building Plots with Project in a Luxurious New Touristic Development

Clear Blue Skies are delighted to present this wonderful off plan opportunity. Designed by a team of local and international architects and designers, Cuna del Alma is an exclusive new development of luxury touristic properties in the quiet bay of El Puertito located in Costa Adeje. Surrounded by an impressive volcanic landscape nestled between the sea and nature reserve, these luxury properties offer a 5 star hotel-style service in a prime location of El Puertito.

Discover an exclusive collection of three distinct types of homes, The Beach Apartments, Casa Casitas and Valley Villas each designed to offer a unique lifestyle experience while enjoying the exceptional services of a five-star hotel. Every residence comes fully furnished and decorated, complete with air conditioning, a store room, the use of a parking space during the stay and private heated pool seamlessly combining comfort, luxury, and convenience. For those who wish to construct their own luxury villa, the Grand Villas offer sizable building plots and a fantastic setting.

The Grand Villas are the perfect family retreat. All building plots are sold with the project and license for a luxury two storey home boasting three or five bedrooms featuring open concept living & dining, en-suite bathrooms, wine cellar, home cinema room, private parking, store room, lift, terraces, garden, swimming pool, stunning views and so much more.

Residents have access to an area of five-star amenities, including 24-hour reception and security, room service, a Healing Centre, Holistic garden, state-of-the-art fitness facilities, sports club, kids club, two communal swimming pools, two restaurants, and two bars — including a pool bar and restobar. If you are seeking a beachfront retreat this development offers an unparalleled opportunity to enjoy the ultimate in coastal living.
