El Madroñal de Fañabé is located only a few minutes drive or twenty minute walk from the most popular coastal resorts of Costa Adeje. This relatively new neighbourhood has a relaxed community vibe served by an abundance of thriving small businesses, an excellent international school, a tennis club, a well maintained public sports and leisure park and much more. There are numerous restaurants, coffee shops and bars local to El Madroñal de Fañabé and the X-Sur shopping centre and cinema complex is only a 10 minute walk away. Due to the proximity of the TF1 motorway, the Tenerife South airport can be reached in twenty minutes.

Los Almendros is a complex which has an elevated position adjacent to the Colegio Internacional Costa Adeje school and the park and features a beautiful heated community pool and large terraced areas which are very well presented and cared for, whilst the many planted garden areas are fully established and mature. Los Almendros is a private, gated complex of apartments and bungalows which offers a secure and peaceful environment for living or holidaying to all its international community of owners.

Located on the upper floor and reached by lift, this beautifully presented two bedroom, two bathroom apartment offers comfort and stylish living. With a semi-independent kitchen and two double bedrooms both with fitted wardrobes and one of the bedrooms enjoys its own en-suite bathroom and there is a second family shower room. The living and dining area is bright and nicely proportioned and leads through patio doors to the 11m<sup>2</sup> terrace.

The outdoor area has artificial grass installed and is the perfect spot for relaxing, outdoor dining or simply making the most of the unbeatable year round weather and taking in the lovely open outlook and incredible view of the Atlantic Ocean.
