Stunning Luxury Adult Only Suites in Prime Location Resort

Clear Blue Skies is excited to present this unique opportunity to own a stunning suite within the 5 star, sea front resort of Royal Hideaway Corales Beach located in the prestigious coastal area of La Caleta, in the south of Tenerife.

Beautiful La Caleta, which only a few years ago was little more than a Canarian fishing village, is now the place to be in Costa Adeje. The lovely natural harbour is now surrounded by beautiful restaurants and up-market cocktail bars and is only a few minutes away from the famous Costa Adeje Golf Club. A short stroll away is the start of the coastal promenade, the perfect place for a seafront walk, which connects with Playa del Duque and beyond, all the way through Playa de las Americas and on to Los Cristianos.

Royal Hideaway Corales Beach is a five-star hotel in a privileged location close to the seafront which forms part of the Royal Hideaway Corales Collection, and offers an elegant and tranquil environment designed exclusively for adults via 121 junior suites with ocean views and selected suites with private hot tubs on the terrace.

The building design maximizes natural light and panoramic views of the Atlantic whilst the architecture is contemporary and organic, inspired by coral formations and the natural coastal landscape, and the finishings are in high quality premium materials. All owners are treated to a range of luxury resort amenities, including spa and wellness centre, three Michelin-starred restaurants within the Corales Collection, two communal swimming pools, a spectacular infinity pool on the fifth floor overlooking the Atlantic Ocean, concierge and five-star hotel services.

The property operates under a professional hotel management structure by the renowned Barceló corporation, allowing owners to enjoy their suite for a limited period each year while benefiting from the services of a five-star resort in one of the most prestigious locations in southern Tenerife. If a refined adults-only lifestyle by the ocean, combining the comfort of a private suite with the services of a luxury hotel sounds ideal, contact Clear Blue Skies for more information and to arrange your resort visit.
