Luxury Four Bedroom Villa on an Exclusive New Development

Clear Blue Skies is delighted to be one of a select few appointed agents chosen to promote Aires de Abama, the newest and most ambitious residential development within the prestigious Abama Resort. Designed by renowned Portuguese architects Aires Mateus, this exceptional project offers a rare opportunity to own a luxury home in one of Tenerife's most exclusive destinations.

Located in Guia de Isora on Tenerife's sought-after southwest coast, Abama Resort spans over 400 acres of secluded paradise. Combining breathtaking natural surroundings with world-class amenities, the resort is centred around the iconic 5-star Ritz-Carlton Abama Hotel, home to Michelin-starred dining, a selection of restaurants and bars, a fitness centre, tennis academy, boutique shopping and a gourmet supermarket. Residents also enjoy access to a beautiful sandy beach and the resort's championship 18-hole golf course.

Aires de Abama comprises an exclusive collection of luxury villas and apartments, built to the highest standards of quality, privacy and design. Ideally located beside Plaza Abama, owners benefit from a 24-hour reception and concierge service, infinity pool, wellness spa and art gallery. Phase One, due for completion in 2028, includes 18 apartments and 28 villas. Owners can enjoy their property for up to six consecutive months each year while benefiting from a professionally managed rental programme operated by Abama Hotels.

These stunning four-bedroom villas are designed on a single level, offering elegant contemporary living with seamless indoor-outdoor integration. Expansive glazing fills the home with natural light and opens onto spacious terraces, landscaped gardens and a private heated infinity pool. The open-plan living area features a designer kitchen with premium appliances and a central island, complemented by generous lounge and dining spaces. All four bedrooms include fitted wardrobes, en-suite bathrooms and direct access to the outdoor areas, while the principal suite also benefits from a dressing area. Some villa types also include a separate home office.

Delivered fully furnished with high-quality furnishings, each villa includes private parking and a storage room. With all rentals and property management handled by the resort's in-house team, ownership is effortless. (Images are provided for illustrative purposes during the construction phase).
