Delightful and Spacious Two Bedroom Townhouse in a Desirable Complex with Heated Pool

Clear Blue Skies is pleased to present this delightful two bedroom, two bathroom townhouse in the very desirable Residential San Miguel II complex, in the prestigious area of Playa del Duque in Costa Adeje.

Playa del Duque is located in the very popular Costa Adeje region of southern Tenerife, and is, without doubt, one Tenerife's most exclusive and upmarket areas. The constant appeal of Playa del Duque can be attributed to the beautiful white sand beach, the picturesque coastal promenade, endless high quality restaurants, nightspots, designer shopping malls and hotels and near-perfect weather. Its close proximity to the TF1 means it's only a twenty minute drive from the Tenerife South airport.

Residential San Miguel II is a beautifully maintained gated complex centred around a lovely communal swimming pool and children's pool plus it features lots of areas of communal terracing and gardens. It is located approximately only 750 metres (10 minutes' walk) from the Playa del Duque beach, or a short drive to the bustling areas of Playa de las Americas and Los Cristianos.

Offered for sale furnished, this is a superb opportunity with a exceptionally spacious living area distributed over four levels. Upon entering from the street, you are greeted with a lovely terrace/garden and from here a few steps lead to the welcoming entrance hall with handy built in storage. The ground floor consists of a modern and bright independent breakfast kitchen, the roomy lounge has a dining area and sliding doors that exit to the spacious pool facing terrace fitted with retractable sun blinds and boasting direct access to the heated communal pool. Upstairs you will find a double bedroom with fitted wardrobes and balcony, family bathroom and the master bedroom which offers an en-suite bathroom, fitted wardrobes and a balcony with spiral staircase connecting the roof terrace. On the top level is a large private roof terrace featuring panoramic views and all day sunshine, ideal for sunbathing, relaxing or even al fresco dining. Also included is a large garage with direct access to the house.

In summary, this is a great property, perfect for either a holiday home or for a permanent residence with fantastic outdoor space, ideal for making the most of the wonderful climate Tenerife has to offer. A great price for this location so don't delay, please contact Clear Blue Skies at our nearby Fañabé Plaza office today, for further details and to arrange an accompanied viewing.
